- ◆ Week of May 17th—Shapes & Colors
- ◆ Week of May 24th—Summer

## GRACE CHILD CARE CENTER—CLOSED

Grace Child Care Center will be closed on Monday, May 31st in observance of Memorial Day. Have a great 3 day weekend and we will see you Tuesday!

## HEARING AND VISION SCREENING

The Will County Health Department will be at Grace Child Care Center on Monday, May 3rd at 9:00am to conduct screenings on children ages 3 and above. All children in attendance that day will be screened.

If it is not your child's day to attend Grace but you would like to have them screened, you are welcome to bring them in and stay with them while they are being screened.

We will send home copies of completed screenings to all families.

## MASKS AND EXTRA CLOTHING

With the warmer weather, please make sure to have an extra set of clothing for your child that is weather appropriate.

Also, every child age 2 and older is required to wear a mask. I know mornings can be hectic, so please have some extras in their cubby. Thank you!

## VBS

All children ages 3 and up will attend Vacation Bible School (VBS). With the COVID restrictions, we will be kept in our own group, but we will still enjoy all of the same activities! If your child does not come to Grace Child Care Center 5 days a week and you would like them to come to VBS only from 9am-11:30am on their off day(s), they are welcome!

If you know of any families with children that may like to attend VBS, please let them know and we can get them a registration form.

## SUMMER INFO/COVID

- If your child's days will decrease for summer, please let us know as soon as you know. Thank you!
- We will have water play—even if it is just sprinklers-this summer, so plan on having a swim suit, shoes that can get wet, and sunscreen here for your child. We do water play beginning in June on days of 80 degree temps and above.
- We remain hopeful that DCFS will loosen some of our restrictions and we can begin to get back to normal, we are hoping by August 1st but we have not heard anything yet. We will keep you updated!

As a reminder, if you are taking your child to the doctor, please have the doctor fill out a physical form or provide us with your child's updated immunizations. This helps us keep your child's file up to date!

Thank you!
